

OAKLEY CHURCH OF ENGLAND JUNIOR SCHOOL

Oakley Lane
Oakley
Basingstoke
RG23 7JZ

Tel: 01256 780433

www.oakleyjuniorschool.co.uk

Headteacher: Mr Steve Rich

Oakley Home School

www.oakleyhomeschool.co.uk

Please note: This online, interactive resource is a Home School communication tool for the **children and teachers**.

Any parent/carers queries will need to follow the **usual school procedures** via the school office contact details.

This is to ensure that our staff can provide the most effective communication for the children.

Please be patient as there may be some teething problems.

Thank you for your understanding.

Rules and Guidelines for Oakley Home School Website

Purpose: For teachers to keep in touch with pupils and to encourage/support Home Learning. We are committed to supporting the children's well-being and we believe this new website will ensure that their Home Learning is purposeful. **Example posts:** A daily reflection; a discussion relating to their Year Groups' Home learning project; ask the children to share work they have produced from the day before etc.

How often? Teachers will post on the website regularly excluding during the Easter holidays.

Teachers will **aim** to respond to children's comments on a regular basis. However, children are able to view and comment at any time.

Weekly Home Learning Sheets: In addition to the school website and emails, each Year Groups' weekly work will be posted on this website.

How will we monitor it and keep it safe?

1. This will be a **password protected** website for pupils of Oakley Junior School only – please see next page for details.
2. Before commenting, children need to ensure they have changed their username (see How to Login document for details). This is to ensure the safety of our pupils.
3. When commenting, children need to think carefully about the content. This must be related to the teachers' original post. **Any inappropriate commenting will result in being removed.**

How to login

1. Go to www.oakleyhomeschool.co.uk
2. You can access the weekly packs and Rules and Guidelines for Oakley Home School Website.
3. If you want to look at any forums, enter the whole school security password: **please contact the school office if you haven't received this by text message.**
4. You will now be able to view all content but NOT comment.

If you would like your child to be able to comment, then you will need to follow a few extra steps below:

1. Click on login (top right corner).
2. Complete details – you will need to enter an email address and create your own password.
3. Once your account has been created, **you will need to change your username** – this is to make sure that your email address is kept private.
 - Use the menu button in the top right corner and go to 'My Account'
 - Here you can click on the 'edit' button to change your username.
 - **Note: Your username should be your child's first name, second name initial and class.**
E.g. JohnS6A

Siblings

If possible, each sibling should create their own account using different email addresses. If this is not possible, the username should include all the names of the children who use that account. E.g: John6ALaura4W

We hope you find this website useful.

Yours sincerely,

Amy Richards
Computing Co-ordinator
