

Class 3P

We are really looking forward to seeing you in September. You will be in year 3. Lots of things will be the same as your infant school and some things will be different. This information fact sheet will help to show you some of the things that are the same and some of the things that are different.

This is what your new classroom looks like.

You will use your classroom door to come into school in the morning and you will use this door to find your adult to go home. You will also use this door for P.E. and break times.

Lower school will still look the same (year 3 and 4)

Upper school will still look the same (year 5 and 6)

You will have your own peg for your coat in the corridor outside your classroom. You will be shown what peg is yours on the first day in September.

You will also have a cubby hole where you will store your bag and P.E. kit. You will be shown which one is yours on your first day in September.

My name is Mrs Podevin

I love to paint and I enjoy gardening and baking cakes for my family. I also like to go walking and cycling in the countryside.

My favourite children's book and film is the Narnia Series by C.S. Lewis.

My favourite animals are guinea pigs; you will find lots of pictures of them in my classroom.

I am looking forward to you joining my class in September ☺

Hello year 3, my name is Mrs Jesshope.

I have been working at the Junior School for 8 years and have been in all of the year groups.

I have two children and two fish called Tom and Jerry.

My favourite colour is blue. I enjoy going to visit the sea, as I find it calm and relaxing, I am a big fan of rollercoasters and fast rides. I also enjoy crochet, drawing and cooking (especially cakes). Although I like all animals, I am not too keen on moths or other flying insects.

I am looking forward to seeing you in year 3 in September and hope you have a fantastic summer. You can tell me all about it.

My name is Mrs Saint

I have two boys, one named Devon and the other named Morgan.

In my spare time, I enjoy card making, crafting and cooking. I really enjoy making biscuits.

I also have great fun visiting theme parks. Rollercoasters are my favourite. I enjoy going to Paultons Park with my children and husband.

I enjoy reading and have great pleasure in hearing children read and seeing them progress.

I look forward to seeing you in September.

Here are some other areas around school:
