

Class 4C

We are really looking forward to seeing you in September. You will be in year 4. Lots of things will be the same as year 3 and some things will be different. This information fact sheet will help to show you some of the things that are the same and some of the things that are different.

This is what your new classroom looks like.

You will use your classroom door to come into school in the morning and you will use this door to find your adult to go home. You will also use this door for P.E. and break times.

Lower school will still look the same (year 3 and 4)

Upper school will still look the same (year 5 and 6)

You will have your own peg for your coat in the corridor outside your classroom. You will be shown what peg is yours on the first day in September.

You will also have a cubby hole where you will store your bag and P.E. kit. You will be shown which one is yours on your first day in September.

I am going to be your teacher in year 4.
My name is Miss Collier.

I love to read and listen to music, especially Taylor Swift.
My favourite song is Cruel Summer and my favourite book is Varjak Paw!
I love English and Music and hope we can enjoy learning everything together.
On the weekends I love spending time with my family and going on walks with my dog Meg.
I also have a cat called Woody who sleeps a lot!
I can't wait for the amazing year we are going to have together in year 4.

I am going to be your LSA in year 4.
My name is Mrs Smallman

I love to travel and moved back to England 3 years ago from Canada. I'm originally from South Africa.
I have a daughter at Oakley Junior School who is going into year 6! And a daughter at Perins. We love walking, hiking, swimming and just being in nature.
I'm passionate about reading and love to relax with a good book and cup of tea, and absolutely love arts and crafts.
On the weekends I can always be found cheering on my children in one of their sporting activities - football, athletics and cheerleading!
My motto is: sprinkle kindness like confetti.
