

# Class 6S

We are really looking forward to seeing you in September. You will be in year 6. Lots of things will be the same as year 5 and some things will be different. This information fact sheet will help to show you some of the things that are the same and some of the things that are different.

This is what your new classroom looks like.

You will use your classroom door to come into school in the morning and you will use this door to find your adult to go home. You will also use this door for P.E. and break times.

Lower school will still look the same (year 3 and 4)

Upper school will still look the same (year 5 and 6)

You will have a cubby hole where you will store your coat, bag and P.E. kit. You will be shown which one is yours on your first day in September.

Mrs name is Mrs Semple

I am so excited to be your year 6 teacher. I absolutely love maths, computing and art so be prepared to get creative in year 6. In my spare time, I enjoy roller blading and I have completed two roller-marathons! Recently, I have joined a netball team and have loved improving my fitness levels and working in a team. I love travelling so I cannot wait to hear all about the places in the world you would like to visit when you're older. In our classroom, you can get DoJos points for doing all sorts of brilliant things like working hard, being helpful and showing our school attributes. These can then be 'cashed in' for a range of rewards including prizes from the prize bowl. You will also have the chance to collect marbles when you've been amazing as a class. These build up to earn a class treat! Year 6 is such an exciting year full of wonderful opportunities to make memories and of course, to have 'SUCCESS IN 6S'!

I am looking forward to you joining my class in September. Have a fantastic summer.

My name is Mrs Theodore and I am going to be one of the LSAs in year 6

I have 3 sons who keep me very busy.

I love sports, especially football and athletics.

In my spare time I enjoy going on holiday in my campervan, exploring and having adventures.

My favourite animals are elephants and highland cows.

I look forward to seeing you all in September.
